The announcement pursuant to article 4 Sec. 2 of Regulation (EC) No 2273/2003 on the resumption of the share buyback programme of the company dated March 5, 2015, states that the bank assigned to carry out the share buyback has committed itself to observe the trading restrictions of Article 5 of the Commission Regulation (EC) No 2273/2003 of December 22, 2003 (EC Reg.), and thus i.a. in accordance with EC Reg. not to acquire more than 25% of the average daily volume of shares in any one day on the stock exchange on which the purchase is carried out. In fact, the bank assigned to carry out the share buyback undertakes, however, not to acquire more than 10% of the average daily volume of shares in any one day on the stock exchange on which the purchase is carried out.
